

GET THE POWER OF LECTORA IN THE CLOUD

INTRODUCING NEW **LECTORA ONLINE V2.0**

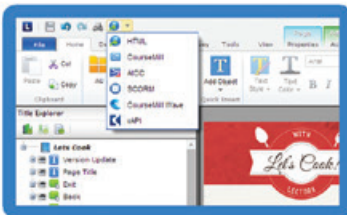

Go team! Lectora Online puts the power of Lectora in the cloud, so your whole development team can create awesome e-Learning together.

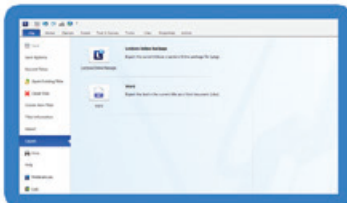

HIGH FIVE FOR THE EASY-TO-USE INTERFACE.

You get the flexibility you need to create the courses you imagine with Lectora Online®, using the intuitive interface, the Question Creator and more. This all-star authoring tool is ready to win.

TRUST THE POWER OF LECTORA.

You can count on Lectora Online. After all, it's based on our flagship desktop authoring tool Lectora, a fan favorite. Easily publish your courses to your learning management system (LMS).

GET YOUR HEAD IN THE GAME—RIGHT AWAY.

You can get started quickly. Since Lectora Online works in a web browser, you don't have to wait for installation. Also, you can transfer any course you build in Lectora Online to Lectora on the desktop, just in case.

Check out how cloud authoring benefits your team:

COLLABORATE ANYWHERE, ANYTIME.

Your team can work together—wherever you are. Traveling or in different offices across the globe? Lectora Online keeps everyone united. Plus, it facilitates content sharing at your organization.

THE CLOUD IS YOUR HOME FIELD.

When you're in the cloud, you feel secure. Lectora Online backs up your courses in secure offsite locations (while you're working and after you're finished). And to be extra sure, there's also a disaster recovery plan that ensures full recovery.

DEVELOP ON A MAC OR A PC.

You can use Lectora Online on Macintosh, Windows and Linux operating systems. Everyone can create courses in the cloud—no one sits on the bench here!

WIN ONE FOR THE TEAM.
